

# Compassionate Conversations

## Framlingham Unitarian Meeting House

**Thursday 27<sup>th</sup> April 10am – 12pm**

Compassionate Conversations is an awareness training session delivered by St Elizabeth Hospice that is aimed at helping participants build the skills and confidence needed to enable open, honest and sensitive conversations around end-of-life, loss, and bereavement, while identifying ways to help and support others.

Being able to talk with and comfort people who are experiencing end of life, loss or bereavement can be a daunting prospect - but it needn't be that way.

Let's find the words together.....
