

Our Next Residents' Drop-In Session is Saturday 16th September from 10am - 12pm

These are informal events where you can meet with Town Councillors, and raise any questions or any issues you have. Councillors can also tell you more about the role of the Town Council, and chat with people interested in becoming a Town Councillor. These sessions are far more informal than our monthly Town Council meetings- come and have a chat over a cup of tea and a biscuit.

**No appointments are necessary –
just turn up on the day**

Issues raised at these sessions will be either answered, discussed at Committee meetings or passed to other agencies such as Suffolk County Council's Highways team and Suffolk Police as necessary.

**Our Office is opposite the
Castle Community Rooms
on Church Street**
