June 2022

Dear Residents,

Concerns raised by members of the local Community regarding vehicles being parked partially on the pavement in Double Street and Castle Street. This is obstructing / preventing safe access for pushchairs, people with guide dogs and wheelchair users.

Highway Code Rule states: "**You MUST NOT park partially or wholly on the pavement in London and should not do so elsewhere unless signs permit it. Parking on the pavement can obstruct and seriously inconvenience pedestrians, people in wheelchairs or with visual impairments and people with prams or pushchairs.**"

Your local Safer Neighbourhood Police Team would ask that anyone parking their vehicle in either of these roads, please be mindful of others and park so access along the pavement is not obstructed.

At this stage, we are asking you to adhere to the request in this letter. However, if necessary, consideration for further enforcement action will be taken for obstruction. This could be by way of issuing a Fixed Penalty Notice fine to vehicle owners who do not comply.

Thank you for your cooperation.

**SAFER NEIGHBOURHOOD TEAM
HALESWORTH**
